Wednesday 12th January 2022

Dear Parents/carers,

We have received notification from the organisers of the gymnastics competition that the event has been cancelled. After a lengthy discussion between the organisers, Forge SSP and Points LN they have taken the decision to postpone the Key Steps Gymnastics that was due to take place on the 19th Jan at Ponds Forge. The decision to cancel the event was due to several teams having already pulled out since starting back due to the worry of Covid. Given the current situation, they may have more pull out in the coming weeks. The event was due to bring over 500 people together. With the high levels of Covid transmission at present, the organisers thought it would be wise to move the date back a few months.

Once they have set a reserve date, we will let you know.

The organisers of the event have sent their apologies and are sorry for any inconvenience and disappointment this may cause, but please rest assure they are hoping run this event later in the year.

Best Wishes

The school office team
