CROSS-COUNTRY SEASON 2023-24: RELAYS

Dear Year 3-6 Parents and Carers,

Well, it's an official wrap to the 2023-24 cross-country season and what a season it has been! A huge well done to all of our children (and parents!) who have taken part this year. Goodbye and good luck to our Year 6 runners. Keep on running! I will hopefully see the rest of you in September.

The last race is the relays. Children will need to be in teams of four in order to compete. I will be meeting the children in school this week to help them to do this. I will be encouraging them all to be inclusive. Ideally, I would like everyone who wants to run to be able to do so – we may need to do some recruiting!

Please note the earlier start for the relays. Races will begin at 9.30am but I will need to register the teams at 8.45am so will need you all there please, whichever race you are running in!

Presentations will be made at the end of the races. Awards and certificates will be presented to the top three teams in each category.

Most importantly, the organisers have asked me to let you all know that bacon butties will be available during the event. There will also be a charity cake stall. Cash only please!

Please can we just reiterate that children remain the responsibility of their parents throughout the event and may not be left on site with the teacher. Please ensure that the children know who is responsible for them and their adult is aware of where they are. Teachers are there to facilitate the children taking part and to address any issues with the organisers.
