## Phonics & Early Reading Online Workshop

Dear Reception & Year 1 Parents and Carers,

Reading is at the heart of our curriculum offer here at Meersbrook Bank School and we are committed to ensuring every child receives the very best experience when learning to read.

As part of our commitment to excellence in reading we held two early reading workshops for parents last year; one in the morning and one afterschool. Both were really poorly attended.

So, we thought we'd give it one more shot – on Thursday 13<sup>th</sup> January at the later time of 5.30pm. Also this time we will be running the workshop virtually so that you are able to attend from home, if childcare is an issue.

I very much hope you are able to attend if you weren't able to before Christmas and look forward to giving you information about our approach to reading and how you can support this exciting part of your child's journey into reading at home.

Yours Sincerely,

Mrs B. Crawshaw  
KSI Reading Leader
