

27th September 2021

Dear Parent/Carer

After School STEAM Club

We are excited to announce that FabLab after school club is returning to Meersbrook Bank after the October half term holiday. FabLab is designed to get children excited about science, technology, engineering, art, maths & making (STEAM). We run hands-on workshops and activities to inspire children in science and learn about how things work. Each session will focus on either, an experiment, a challenge or a making activity, including things like rocket science, chemistry, electronics, K’NEX and Lego.

FabLab will start on **Thursday 4th November** for 6 weeks and will run from 3.30 – 4.40pm. Places are limited to 20 children and cost £5.50 per session, which includes the cost of specialist materials and equipment.

If you would like your child/children to join FabLab, please book online at **www.steamworks.org.uk**. If you have any queries about booking, please contact me on 07876705823.

Yours sincerely

Helen Bell
