Friday 9th September 2022

Dear Parents and Carers,

We have arranged an exciting 'Forest Activity' session for Y1 and Y2 on Wednesday 21st September. The sessions will take place in Meersbrook Park and will be led by an experienced Ranger.

During the sessions the children will be taking part in lots of fun activities including making clay boggarts, den making, mud painting, potion making and we might even have the chance to sit round a woodland camp fire!

Children will need to come dressed for the day in outdoor clothes and shoes/boots that will get dirty and muddy! A water bottle would also be helpful.

As it is classed as a local walk, we do not need you to do anything. We are funding this trip through our sports premium funding so there will be no cost to you.

Kindest Regards,
The Key Stage 1 Team
