Thursday 7th July 2022

Dear Parents and Carers,

You will no doubt recall that we were aiming to give you a small refund towards the cost of the Year 6 residential cost, paid for by the cake sale fundraising and a kind donation. With the proceeds raised we are able to offer £45 per child.

Some parents got in touch earlier in the year to say that they did not require a refund. We did not make a list of these as we felt that people's wishes and circumstances may change over time.

If you DO NOT wish to receive a refund, please let the office know by Friday 15th July. The refund will increase in size, the greater the number of parents decline the offer.

On the final week of term, we will re-calculate the amount that we will be able to refund and this will be issued via ParentPay. It's a little complicated but I hope that all makes sense!

Yours Sincerely,

Mrs A. Hopkins

School Office Manager
