Dear Nursery Parents and Carers,

We recently wrote to you to say that we have booked a reptile & minibeast encounter on Wednesday, 3<sup>rd</sup> May at 2pm. This is a fantastic opportunity for the children bringing the animals up-close providing a hands-on experience in reptile & minibeast activities. Through this fun, calm session children will meet snakes, lizards, tarantulas, scorpions, millipedes and cockroaches.

The sessions will be provided by Dr Stuart Wood from Meet the Beasts and his sessions help promote communication, interaction, socialising & mutual support, even in shy individuals. Children learn important thinking, investigative, problem-solving skills & by facing & overcoming their fears, they grow in confidence.

The cost of the experience has now been finalised and cost is £6.31. This is a voluntary contribution but without enough funds, it will not be able to go ahead as our school funds are not able to support these additional costs. The payment will need to be paid through ParentPay. If you have not yet set up an account for ParentPay please contact [enquiries@meersbrookbank.sheffield.sch.uk](mailto:enquiries@meersbrookbank.sheffield.sch.uk) and the office will send you the details.

We are really looking forward to this visit and know that the children will thoroughly enjoy the experience.

Kindest Regards,

Mrs Grant  
Nursery Teacher
