

*Welcome to  
Meersbrook Bank Nursery*

**This little book will  
tell you about  
Meersbrook Bank Nursery.**

# Meet the staff...

Hello,

My name is Mrs Grant and I am the class teacher. My

favourite things in nursery are being creative, reading stories , walking and having lots of fun.

Hello, My name is Miss Gunn and I am the full time teaching assistant . I'm really looking forward to you joining our nursery. There's lots of exciting things to do... we are going to have lots of fun together.

Hello, I'm Mr Spencer, I cover Mrs Grants PPA. I love music and animals and I will always try my best to make our time at school as fun as I can. I look forward to seeing you all soon.

This is where you can hang your coat up and put your packed lunch if you stay for dinner.

One of your first jobs in the morning is to self register yourself by putting your apple on the tree to let the nursery team know you are here!

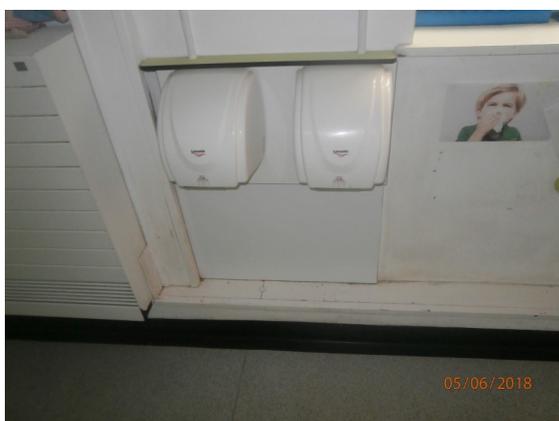

These are the drawers where you can put your belongings or your work you do in nursery.

These are the toilets.

This is where you can wash your hands after going to the toilet. Wet your hands first then one pump of soap.

This is where you dry your hands.

Look in the mirror to blow your nose. Put the tissue in the bin and wash your hands.

Pull up a comfy seat to read a story or play with the puppets.

You can play with the letters here or write letters and words.

This is our home corner.

This is our creative area.  
This is where you can make lots of different things whilst practising the new skills you have learnt.

This is our painting easel.

This is our sand area. Lots of science investigations and maths happens here.

This is our funky fingers area where we exercise our fingers ready to write.

This is our investigation area. This is where we explore the world around us.

This is our small world area  
where we play

Cooperatively and make up  
stories around our toys.

This is our maths area. We  
use a range of  
different resources to sup-  
port our learning.

This is our interactive  
whiteboard. We use the  
magic pen to draw on  
the computer.

This is our snack area. You  
can access snack any time  
of the day. You will learn to  
put your own water and  
peel your own snack.

We hope you have  
enjoyed learning about  
your new nursery and  
we hope to see you  
soon.
