Friday 9th September 2022

Dear Parents and Carers,

Firstly I would just like to inform you that over summer we had a new server installed in school. This has caused many technical problems and we are still ironing out some problems. While we are working hard to overcome the challenges, we are not working at our usual capacity, so please do bear with us!

On the newsletter sent out a couple of days ago, I said that we would love to invite parents in for a 'meet the teacher' session. These will be short and sweet but hopefully give you a glimpse of what the classroom is like and to be able to put a face to a name! We were hoping to run these next week but, due to technical issues (see above paragraph!) we need to move it back a week.

We appreciate that many parents have more than 1 child in school so we are offering staggered sessions. If you are unable to make these or have more than 2 children, we will also send out some information so you don't miss out. The sessions will run on **Wednesday 21st September**.

Class	Teacher	Where	Time
Rec	Mrs Dyball	Foundation Unit	From 3pm onwards
Y1	Mrs Johnson	Ground floor classroom (near Derbyshire Lane entrance)	3.30pm and 4.30pm
Y2	Mrs Shaw & Mrs Wood	Top corridor	3.30pm and 4.00pm
Y3	Mr Knight	Top corridor	4.00pm and 4.30pm
Y4	Mrs Clark	Top corridor	3.30pm and 4.30pm
Y5	Mr Basford	Top corridor	3.30pm and 4.00pm
Y6	Mrs Tierney	Top corridor	4.00pm and 4.30pm

We are running a Nursery open session on the following day – Thursday 22nd September from 3.30pm.

There is no expectation that you attend, but we know many parents would welcome the opportunity to pop in.

Yours Sincerely,

Mrs G. Harvey

Headteacher
