Tuesday 17th January 2023

Dear Year 4 Parents and Carers,

Our swimming sessions will start on **Tuesday 7th February** and run until **Tuesday 3rd July**. We will swim at Heeley Baths and Mrs Williamson and one other member of staff will walk the group down and stay with them throughout the session. We will need to be in the pool by 10.35am so will leave school at approximately 10am to give us time to walk there and get changed. We will return to school in time for lunch.

The children will be able to use the changing facilities at the pool but they may wish to wear their swimming costume / trunks under their school clothes.

We have been advised by the pool that **all long hair must be tied back and all jewellery removed**. The children are strongly advised not to bring goggles as assessment cannot take place whilst the children are wearing them. Should they really need to wear goggles, they will be allowed to do so but will be asked to remove them during assessment sessions. Please remember to send your child with their costume, goggles and a towel on Tuesdays.

Kindest Regards,

Mrs N. Williamson & Mrs C. Tierney
