Leicester Space Centre Trip: Tuesday 19th March

Dear Parents and Carers,

We are very excited to announce that we have arranged for the Year 5s and Year 6s to visit the National Space Centre in Leicester as part of both classes' Earth in Space topic this term.

We will be travelling there by coach. The coach will pick us up from school at **8.15am**. **Please can children arrive at school and make their way to the hall to be registered at 8.00am. The Derbyshire Lane gate will be open at this time.** Unfortunately, we won't be able to wait for anybody arriving after this time. We will arrive at the Space Centre at approximately 10.00am.

The children will have time to explore the centre. We will also experience a presenter-led planetarium show: "A Journey through the Solar System".

The children will need a packed lunch please and a couple of extra snacks as it will be a long day! **If your child is in receipt of free school meals and you need them to be provided with a school packed lunch then please contact the school office by Tuesday, 12th March.**

We will be leaving the Space Centre at 2.15pm and given traffic conditions, we anticipate that we will arrive back at school at approximately 4.00pm (Texts will be sent if it looks like it will be much later than this.)

The total cost for the trip, including entry to the Space Centre, the planetarium show and the coach will be **£22.53**. We have used kind donations from FMBS to subsidise this. **Please make payment via ParentPay.**

Even if your child has consent to walk home after school at 3.30pm, we will need extra consent for walking home alone at this later time please. Without consent we will not be able let them walk home afterwards so, please ensure you email: enquires@meersbrookbank.sheffield.sch.uk

As always, please do not hesitate to contact us if you have any questions.

Kindest Regards,

Mrs C. Tierney & Mr O Basford

The Y5/6 Team
